Remarks/ArgumentsElection/Restriction

The Examiner has asserted that the application contains inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1 and has required restriction under 35 USC 121 and 372.

Applicant elects claims 1-5 drawn to the method invention and cancels claims 6-8 in response to this requirement. It is submitted that claims 1-5 are now in condition for allowance. Such action is respectfully requested.

Having fully addressed the Examiner's requirements, it is believed that, in view of the preceding amendments and remarks, this application stands in condition for allowance. Accordingly then, reconsideration and allowance are respectfully solicited. If, however, the Examiner is of the opinion that such action cannot be taken, the Examiner is invited to contact the applicant's representative at (609) 734-6804, so that a mutually convenient date and time for a telephonic interview may be scheduled.

No fee is believed due. However, if a fee is due, please charge the additional fee to Deposit Account 07-0832.

Respectfully submitted,

By: Brian J Cromarty
